Royalty for ISBN books will be paid once the minimum sales threshold is achieved within a business quarter (three months). The threshold is fixed at 50 copies per quarter. After the sale of 50 copies or more in a given quarter, the royalty due for that quarter will be calculated and released to the author as per Naaz Publications' royalty terms. A detailed monthly sales report will be shared with authors during the quarter so they can track progress towards the 50-copy threshold.

Authors Copyright transferred to Naaz Publication and sales-deed is mandatory for the Royalty.

All Printing and Postal service will take at least 15 days additional to the Timeline for Publication.
